

How can I open a DEMAT account through Smart Wealth Pro?

Smart Wealth Pro is a stock market analysis platform and does not facilitate the opening of DEMAT accounts directly. To open a DEMAT account, you should contact a registered depository participant (DP) or a brokerage firm in Nepal. Once you have a DEMAT account, you can utilize Smart Wealth Pro's features to analyze and manage your investments.

What documents are required to open a DEMAT and TMS account?

To open a DEMAT and Trading Management System (TMS) account, you typically need the following documents:

Recent passport-sized photograph with a white background

Scanned copy of your Citizenship Certificate (front and back)

Selfie holding a valid National ID (e.g., Citizenship, PAN Card, Passport, Voter ID, or Driving License)

Image of stamped thumbprints on white paper, labeled as left and right

Hand-drawn map of your current residence, indicating landmarks and your house location

Clear image of your signature on white paper

For minor accounts, additional documents such as the minor's birth certificate and guardian's identification are required. Please consult with your chosen DP or brokerage firm for specific requirements.

Can I use the same email and contact number for multiple accounts on Smart Wealth Pro?

No, each Smart Wealth Pro account must have a unique email address and contact number to ensure the security and integrity of user information.
